Open Weekends Throughout May!

An opportunity you won't want to miss, whether you are looking to buy a holiday caravan now or in the future...

Visitors are welcome to come and take a look around Highfields at anytime throughout the year. However, these Open Weekends give you the ideal opportunity to find out more about Holiday Caravan ownership at Highfields in a more informal and relaxed manner. You will also have the opportunity to view our entire range of new & pre-owned holiday caravans for sale.

Why not bring a camera, walking boots and picnic and explore the 190 acres of parkland at your leisure? The Highfields staff will of course be available to answer any questions you may have during your visit.

If you'd like to reserve an appointment for a more personal viewing during any weekend throughout May then please call us on 01529 241185 or email sales@highretreat.co.uk to arrange.
